Application – Proposed CAIS Partnership Conference

Our Vision for Professional Development

CAIS's professional development program is national,
based on current and global effective practice and prepares,
and connects and supports leaders in independent schools;
ultimately, it has a demonstrable impact on educational excellence,
leadership development and continuous school improvement.

Our Vision for CAIS Partnership Conferences

CAIS will partner with leadership groups from member schools
to deliver programs that meet the CAIS PD vision
and will be financially feasible and equitable.
