

# Understanding by Design Summer Institute 2008

Havergal College, Toronto, Ontario  
Wednesday, July 2 – Saturday, July 5, 2008

Join us at Toronto's Havergal College where acclaimed presenters Jay McTighe and Seonaid Davis will provide an in-depth four-day workshop that focuses on developing aligned curriculum using the Understanding by Design model.

**During the workshop, participants will:**

- Work individually or in a team to design or refine an Understanding by Design unit and course syllabus;
- Align units and courses with standards and learn how to unpack the standards;
- Draft overarching Essential Questions and Understandings to connect units;
- Engage in peer review and revision of unit, course, and program designs.
