

Hello, and welcome to Shawnigan Lake School!

We are an independent boarding school located in Shawnigan Lake, BC. We are hosting the Canadian Accredited Independent School Leadership Conference this March 30 to April 3, 2019. We are your 2019 Student Directors: Isaac, Nate, Atoussa, Kerry, and Moamen. Over the next few months we will be working extremely hard to make sure that when you come, you will have the most engaging experience possible. As we come closer to the time that you all will step through our gates, we hope that you become as excited to arrive as we are to host you.

At the conference, there will be a wide range of activities and keynote speakers on the theme of "Thinking Outside the Box." There will be updates as to who is speaking and the types of workshops you will be able to partake in, throughout the upcoming months as we finalize the schedule. The most important thing for us is to ensure that everyone who comes, comes with an open mind. The depth of your experience will partly be based on your commitment to learning and enjoying your time here, but we can guarantee that we will make it easy to become deeply involved.

Our school motto, "Palmas Qui Meruit Ferat," roughly translates to "Let the rewards go to those who deserve them." Our conference will be rewarding to all who attend, and we encourage everyone who can attend to make the trip. We will welcome you with open arms! Our conference will be a connected community where students and advisors can learn, share ideas, network with other like minded individuals, and become better leaders. We hope to see you in the Springtime.

Sincerely,

Your CAIS Student Directors Isaac, Nate, Atoussa, Kerry, and Moamen
